

Free Trial Kits for Local Authorities

To support

- Learners with EOTAS
- Learners awaiting alternative provision
- Schools (SEND, exclusion packages etc)

INTRODUCTION

At LCB Education, we understand the pressing challenges Local Authorities face today. With an increasing number of learners on waiting lists for alternative provision, the demand for accessible educational solutions has never been higher. We recognise that this comes at a time when local authority budgets are more constrained than ever.

Our mission is to bridge the gap in education by offering affordable, hands-on learning experiences at a fraction of the cost of alternative provision. The company is lead by outstanding education practitioners with decades of experience in teaching, and the wider education sector.

We are the first company of it's kind, where we manufacture hands on resources, and provide EVERYTHING a learner needs to access a well rounded education from home AND have it certified.

We are an approved centre with some of the top awarding bodies in the country and are one of the biggest providers of remote certification in the UK (AQA Unit Award Scheme)

Our vision is clear. Provide accessible, interest led education to those who need a different way of learning, and do this at a fraction of the cost of paying for an alternative provision placement!

We can facilitate 30 children with a certified education (with hands on resources every month and everything else they need) for a whole year...

for what you would pay for one place in an alternative provision.

FREE KITS FOR LOCAL AUTHORITIES

The offer

- 50 free kits, including a craft and unit of work from one of our current workbooks (age appropriate)
- Cohort Progress Report for LAs: Detailed report on how the entire group of learners performed within 30 days, providing measurable data for decision-making.

Extended offer

- Following the trial, if you then decide to register some or all of the learners for term 3 (Summer 2025) with us to have access to the full education package, they will receive a free AQA Unit award certificate for the work they completed in their trial pack.

This offer is open to 5 local authorities and will be allocated on a case by case basis.

WHAT IS INCLUDED?

We will gift each child with

- a free craft from this academic year's topics
- the associated unit of learning from our workbooks
- A free AQA Unit Award certificate if they complete the work*

**Free certification for those that you register with us following the trial.*

WHO IS IT FOR?

The children who will benefit most from this trial are those who

- have EOTAS packages upcoming a review.
- are awaiting alternative provision placements to come up and currently have nothing in place.
- receive tutors, and would benefit from having quality content in place that can be certified and learning recognised.

This offer is open to 5 local authorities and will be allocated on a first come, first served basis.

HOW CAN YOU TAKE PART?

If you would like to be considered to take part in this round, please express your interest over at

WWW.LCBEDUCATION.CO.UK/LA

Closing Date: 28 February 2025

If your local authority is selected to take part, we will need

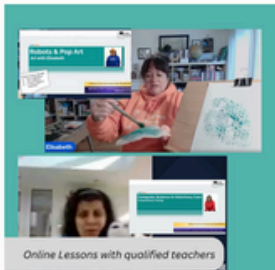

- details of the children taking part. This can be provided by you, or via an online form on our website filled in by the parents directly.
- A designated person at the local authority who can act as a contact for this trial period, and can make decisions on registrations afterwards

WHAT HAPPENS AFTERWARDS?

Bespoke Package

Eco friendly STEM project kits
(3 difficulty levels)

Online Lessons with qualified teachers

S.T.E.A.M. Workbooks (with AQA UAS
Certification)

AQA Unit Award Scheme certification

Maths Workbooks (with AQA UAS
Certification)

English Workbooks (with AQA UAS
Certification)

AQA UAS: 30 units per term of the
learner's choice

Progress Reports

You can choose to register some or all children in the cohort with us for term 3 (May- August) at a cost of £1134 per learner.

In doing so, they will get all of the above services for the summer term with a progress report per learner at the end of the term to show you how they got on.

TERMS AND CONDITIONS

- **Eligibility:** This offer is available to Local Authorities within the UK who are interested in providing educational resources to children awaiting alternative education placements.
- **Offer Details:** Each participating Local Authority can receive free craft and workbook units for up to 50 learners.
- The kits are designed to be engaging and eco-friendly, aligned with the AQA Unit Award Scheme.
- **Registration Requirements:** To qualify for complimentary certification, learners must be registered for either one term or one year with LCB Education.
- Registration must commence within one academic year of trial.
- **Certification and Cohort Impact Progress Report:** Upon successful registration, LCB Education will provide complimentary certification for the completed unit.
- A cohort impact progress report will be provided, detailing the performance and achievements of the entire group of up to 50 learners.
- **Local Authority Responsibilities:** The Local Authority is responsible for distributing the kits to eligible learners and providing feedback on the programme's impact.
- **Data Protection:** LCB Education will handle all learner data in compliance with applicable data protection laws and regulations.
- **Duration and Validity:** This offer is valid for a limited time and subject to availability. Specific deadlines for registration and participation will be communicated to the Local Authority.
- **Costs:** The initial trial is free. Any subsequent registration for one term or one year will incur the standard fees as outlined in LCB Education's pricing structure.
- **Termination:** Either party may terminate participation in the offer at any point, subject to any agreed-upon conditions. Registrations following the free trial are paid for in advance, and there are no refunds for these regardless of usage or changes in circumstances by the learner. Paid for registrations are non transferable.
- **Contact Information:** For questions or support, please contact us at hello@littlecraftersboxes.co.uk or call 01526 701214.
- **Amendments:** LCB Education reserves the right to amend these terms and conditions. Any changes will be communicated to participating Local Authorities.
